Wichita Mid-Continent Airport. In 1951 the United States Air Force brought proceedings to condemn and acquire the Wichita Municipal Airport for what was to become McConnell Air Force Base. Wichita's park board quickly acquired 1,923 acres (778 ha) of land in southwest Wichita and the construction of a new "Wichita Municipal Airport" took about three and a half years.

As time meandered from the 19th Century towards the dawn of the new era, a dream was born. A dream of harnessing steam technology to link Africa's vast south to north, around the awe-inspiring mountain ranges that dot the continent, through the apparently arid desert landscapes, over untamed savannah grasslands teeming with wildlife.
