Weight training is a common type of strength training for developing the strength and size of skeletal muscles. It utilizes the force of gravity in the form of weighted bars, dumbbells or weight stacks in order to oppose the force generated by muscle through concentric or eccentric contraction. Weight training uses a variety of specialized equipment to target specific muscle groups and types of ...

Sport is an important part of Australian culture dating back to the early colonial period. Cricket, Australian rules football, rugby league, rugby union, soccer and horse racing are among the earliest organised sports in Australia. "Sport has shaped the Australian national identity through events such as the Ashes, the Melbourne Cup and the America's Cup."
