List of art magazines - Wikipedia

A magazine is a publication, usually a periodical publication, which is printed or electronically published (sometimes referred to as an online magazine). Magazines are generally published on a regular schedule and contain a variety of content. They are generally financed by advertising, by a purchase price, by prepaid subscriptions, or a combination of the three.

Magazine - Wikipedia

ARTnews is an American visual-arts magazine, based in New York City. It covers art from ancient to contemporary times. It includes news dispatches from correspondents, investigative reports, reviews of exhibitions, and profiles of artists and collectors.
