Capital In The 21 Century

Capital in the Twenty-First Century is a 2013 book by French economist Thomas Piketty. It focuses on wealth and income inequality in Europe and the United States since the 18th century. It was initially published in French (as *Le Capital au XXI^e siècle*) in August 2013; an English translation by Arthur Goldhammer followed in April 2014. The book's central thesis is that when the rate of return ...
