If, however, the test is taken in conjunction with one of the 5-7 on-site training programs run or co-sponsored by NAFL each year, the tests are graded on-site immediately after the examination session, and the participants and instructors almost always get a chance to discuss the results.

### **Re: CFI Trainer Question - Forumworld**

The test questions are reviewed and approved by a PhD Professor at OK State. The exam is not designed to trick or trip up an investigator. It is designed to accurately gauge the knowledge and skills required of a CFI. I can tell you that most people who take the exam, and who have properly prepared themselves, pass on the first time.
