

Dying For Care Hospice Care Or Euthanasia

Dying For Care Hospice Care

Hospice: A Historical Perspective The term “hospice” (from the same linguistic root as “hospitality”) can be traced back to medieval times when it referred to a place of shelter and rest for weary or ill travelers on a long journey. The name was first applied to specialized care for dying patients by physician Dame Cicely Saunders, who began her work with the terminally ill in 1948 and ...

History of Hospice Care | National Hospice and Palliative ...

Hospice care is a type of care and philosophy of care that focuses on the palliation of a chronically ill, terminally ill or seriously ill patient's pain and symptoms, and attending to their emotional and spiritual needs. In Western society, the concept of hospice has been evolving in Europe since the 11th century. Then, and for centuries thereafter in Roman Catholic tradition, hospices were ...

Hospice - Wikipedia
