### **Excellent Excuses And Other Good**

The book Excellent Excuses [and Other Good Stuff] by Liz Pichon is a very intriguing graphic novel. I genuinely recommend this book to everyone that wants an escape from the real world as it truly lets you get away and forget about what's happening around you. I also recommend this to people that read the Diary Of The Wimpy Kid.

review 1: This book was so good! I was reading it and I was not paying attention to the page numbers, then I looked up at what page I was on and I was on pg.185. The main characters were Tom Gates, a boy who love to draw and he is in his own band he also loves carman wafers ,and Derek Fingles,Toms best friend who is also in Toms band.
