How Can I Get Photoshop

I don't believe it's so much that people use the program that's easiest to get their hands on (there are similar programs out there that are easier to get legally), it was more of a symbiotic relationship. Photoshop was the best program for its time, so people pirated that, which further solidified its widespread use, which encouraged more piracy, and so on.

Adobe Photoshop is a raster graphics editor developed and published by Adobe Inc. for Windows and macOS. It was originally created in 1988 by Thomas and John Knoll. Since then, this software has become the industry standard not only in raster graphics editing, but in digital art as a whole. The software's name has thus become a generic trademark, leading to its usage as a verb (e.g. "to ...
