After changing its name to Midnight Oil, the group began to develop an aggressive, punk-hard rock sound for their pub rock audiences. Guitarist Martin Rotsey joined in 1977 and Midnight Oil, with their manager Gary Morris, established their own record label Powderworks. In June 1978 they entered the Alberts Studio in Sydney with producer Keith Walker, from local radio station 2JJ, to record ...

Amouage Journey Man is a unique and intense experience. In cold days it warms and excites with its decidedly inviting opening notes. It falls, in my opinion, in that category of classic men's

perfumes that infuse security in the wearer and in those who smell it around you.

Terminal cancer patient releases his first public service announcement (PSA) aimed at encouraging faster diagnosis of head and neck cancer. It was November 25 th, 2015, the day before Thanksgiving and I was working from home. After responding to some emails that morning, I got ready and tiptoed gingerly up and down the cold white tiles of our bathroom floor, waiting for the shower water to heat up.
