Kant And The Metaphors Of Reason By Patricia Kauark Leite

Kant And The Metaphors Of Reason By Patricia Kauark Leite

Kant And The Metaphors Of

A metaphor is a figure of speech that, for rhetorical effect, directly refers to one thing by mentioning another. It may provide clarity or identify hidden similarities between two ideas. Antithesis, hyperbole, metonymy and simile are all types of metaphor. One of the most commonly cited examples of a metaphor in English literature is the "All the world's a stage" monologue from As You Like It:

Categorization of racial groups by reference to skin color is common in classical antiquity. It is found in e.g. Physiognomica, a Greek treatise dated to c. 300 BC. The transmission of the "color terminology" for race from antiquity to early anthropology in 17th century Europe took place via rabbinical literature.Specifically, Pirke De-Rabbi Eliezer (a medieval rabbinical text dated roughly to ...

Hermeneutics is a term that comes from Bible studies and was applied to Philosophy in the 20th century. In Bible studies, it meant interpretation of Scripture by a careful "exegesis" (analysis) of the author, the author's historical times, the readership of the author, what he was trying to say to his historical readers, the history of the author's vocabulary, and its relationship to ...
