The College of Medicine. Learning to "make the difference" in our own lives, and in the lives of others

College of Medicine | SUNY Upstate Medical University

This is an excellent interview, which I will be returning to re-read. As someone who has been directly involved in research and speculation about this matter for some 20 years now, it is refreshing to see someone who can direct the force of years of independent research at what will turn out to be one of the most crucial topics in human cognitive evolution, and may supply the keys to the many ...
