Olympia The Archaeological Site And

The first major excavation of Olympia began in 1875, funded by the German government after negotiation of exclusive access by Ernst Curtius. Other archaeologists responsible for the dig were Gustav Hirschfeld, George Treutitle, and Adolf Furtwangler who worked alongside architects A. Boetticher, Wilhelm Dorpfeld, and Richard Borrmann.

Archaeological site of ancient Olympia Greece

Olympia (Greek: Ὀλυμπία; Ancient Greek: ; Modern Greek: [oli(m)'bia] Olymbía), is a small town in Elis on the Peloponnese peninsula in Greece, famous for the nearby archaeological site of the same name, which was a major Panhellenic religious sanctuary of ancient Greece, where the ancient Olympic Games were held. The site was primarily dedicated to Zeus and drew visitors from all ...

Olympia, Greece - Wikipedia

Olympia Greece was the site of the ancient Olympic Games, which were celebrated every four years by the Greeks. Olympia was situated in a valley in Elis, in western Peloponnisos (Peloponnesus), through which runs the Alpheus River. It was not a town, but only a sanctuary with buildings associated with games and the worship of the gods.
