P4c Lesson Plans

Philosophy for Children, sometimes abbreviated to P4C, is a movement that aims to teach reasoning and argumentative skills to children. There are also related methods sometimes called "Philosophy for Young People" or "Philosophy for Kids". Often the hope is that this will be a key influential move towards a more democratic form of democracy. However, there is also a long tradition within higher ...

Digital Making with Design Thinking. To equip students with the 21 st century competencies, and critical and inventive thinking, teachers from Ngee Ann Secondary School redesigned their secondary one Normal (Academic) Interdisciplinary Project Work (IPW) programme to incorporate real-world problem-solving skills and innovation. This programme synergises four important aspects of 21 st century ...
