Science Diet is a relatively popular brand that is high on the cost spectrum but unfortunately low on the nutritional spectrum. Although it is touted as a premium diet, it contains nearly all the same ingredients as low-quality foods and no more nutrition. This problem is especially prominent with the dry formula. The main protein ingredient is a meat or poultry by-product, which can consist ...

Rated 3 out of 5 by Nessie from constipation Hi, I have normally been feeding my dog Hills Science Diet (weight reduction), but a new vet suggested I try Iams healthy weight. We have almost finished the first bag of IAMS, but am not sure if I get another. My dog has taken to eating grass, every day and her stools are quite hard.
