shunga & japan erotic art

Shunga (春画) is a Japanese term for erotic art. Most shunga are a type of ukiyo-e, usually executed in woodblock print format. While rare, there are extant erotic painted handscrolls which predate ukiyo-e. Translated literally, the Japanese word shunga means picture of spring; "spring" is a common euphemism for sex.. The ukiyo-e movement as a whole sought to express an idealisation of ...

In recent times pornography in Japan has expanded into new media such as manga (hentai) and video games (eroge). These new mediums are in addition to mainstream film and historic shunga (sexually explicit woodcuts) and feature graphic images of sexual activity.. When first walking around Japanese streets it appears that Japan is a sexually open society with an evident erotic culture.
