The Burning Fields is the fifth book in the Surviving the Fall series. This can be read as a standalone but should not be. It will make more sense if you have read the first four books plus it has a cliffhanger ending. There is a lot of violence, it is an apocalyptic thriller, so it might not be suitable for more sensitive readers.

Burning Fields is the first book by Alli Sinclair that I have had the pleasure of reading. Rosie returns to her family after an incident in Brisbane and on the way home she meets Tomas what follows is a tale of prejudice, inequality and all the dramas with twists and turns and eventually forgiveness and love.
