The Essential Historiography Reader Flashcards | Quizlet

The Essential Historiography Reader is by no means an exhaustive discussion of all of the historiographical issues of concern to professional historians, but it aims to help students understand the theories, philosophies, and methods which have shaped the historical profession in the United States and to think critically about the histories they read as they begin their careers in history.

The Essential Historiography Reader - Higher Education ...

The Essential Historiography Reader. The first part traces the origins of contemporary American historical traditions to their roots in ancient Greece and explains how the profession of history emerged and developed in Europe and America through the nineteenth century. The second part focuses more specifically on historiographical developments...
