The Differences Between The European Migration Crisis And ...

migration both in Europe and beyond. Drawing on the most recent studies and analysis, the paper looks at the implications of migration on Europe's labour market. It seeks to shed light on whether migration can be an opportunity for certain parts of Europe, in certain economic sectors.

Migration and the EU - eib.org

The pushback against refugees, migration, and multiculturalism is a pushback against a progressive vision of society. What is at stake, in the European Parliament election of May 2019 and beyond, is the very notion of what this continent is about—whether it embraces just the freedom of movement of goods or also freedom of movement of people.

The Migration Crisis and the Future of Europe - prospect.org

domestic and European political context, these policies facilitate the creation of migration as a destabilizing or dangerous challenge to west European societies. It also raises questions about how the development of a common migration policy feeds into the wider politics of belonging, that is the struggle

The European Union and the Securitization of Migration*

EU net migration was at historically high levels, but is now falling back. In recent years annual net migration from the rest of the EU has been at historically high levels. In the two years up until September 2016 it was between an estimated 160,000 to 190,000. Back in 2012 it was nearer 70,000 a year.
