The sentimental novel or the novel of sensibility is an 18th-century literary genre which celebrates the emotional and intellectual concepts of sentiment, sentimentalism, and sensibility. Sentimentalism, which is to be distinguished from sensibility, was a fashion in both poetry and prose fiction beginning in the eighteenth century in reaction to the rationalism of the Augustan Age.

Oooooo ohhh, I saw a thread saying this was similar to *Warlock of the Magus World*, I can't wait to read it~! The premise revolves around a transmigration into a apprentice mage, who doesn't really have a backstory, he was just really unlucky and needs the assistant chip to help turn his fortunes around as he would be really mediocre with out it.

Wonder's greatest lessons are more emotional or behavioral than academic. But the book does go into some detail about genetics and the probability of a child developing physical differences like Auggie's. The novel also offers a telling view into middle school life and curriculum and a bit about the differences between middle school and high school culture.
