Vocational Education: Purposes, Traditions and Prospects Pdf

Abstract. This chapter builds upon the previous discussions to delineate and elaborate the purposes of vocational education. In doing so, it advances an understanding of how this sector of education should be organised and enacted to meet these purposes and on what bases vocational education provisions should be appraised.

Free Download Vocational Education: Purposes, Traditions ...

Technical and Vocational Education and Training serves multiple purposes. A key purpose is preparation of youth for work. This takes the form of learning and developing work related skills and mastery of underlying knowledge and scientific principles. Work is broadly defined and therefore refers to both formal employment and self-employment.
