Her research explores young people's digital, moral, and civic lives. With Howard Gardner, Carrie co-directs The Good Project, a study of how youth "do civics" in the digital age, and the Good Play Project, a research and educational initiative focused on youth, ethics, and new digital media.

Youth, New Media, and the Ethics Gap - Facing Today

Recent events make it very clear that many young people in America are completely void of the ethical principles found in God's word. From coast to coast young people (and some are very young) are committing horrendous and senseless crimes. In Littleton, Colorado two male students

went on a killing spree inside a large high school.

Indigenous children and young people's participation in social research raises a range of ethical issues that researchers and participants must grapple with prior to and throughout the research process. These issues include for example, matters to do with protocols for seeking consent, ensuring the research process is culturally respectful and age appropriate, whether the research [...]
