### **Zombies Surviving The Zombie Apocalypse**

A zombie apocalypse is a particular scenario within apocalyptic fiction. In a zombie apocalypse, a widespread rise of zombies hostile to human life engages in a general assault on civilization. In some stories, victims of zombies may become zombies themselves if they are bitten by zombies or if a zombie-creating virus travels by air, sexually, or by water; in others, everyone who dies ...

A zombie (Haitian French: zombi, Haitian Creole: zonbi) is a fictional undead being created through the reanimation of a corpse. Zombies are most commonly found in horror and fantasy genre works. The term comes from Haitian folklore, in which a zombie is a dead body reanimated through various methods, most commonly magic. Modern depictions of the reanimation of the dead do not necessarily ...
